R. THOMAS GAGLARDI

OWNER AND GOVERNOR

R. Thomas (Tom) Gaglardi is the owner and governor of the Dallas Stars Hockey Club and the president of Northland Properties Corporation, the largest family-owned hospitality company in Canada with its head offices located in Vancouver, B.C. He was officially introduced as the sixth owner in franchise history on Nov. 21, 2011.

Since acquiring the club, Gaglardi has revitalized hockey in the Dallas-Fort Worth Metroplex, overhauling the team's front office by hiring veteran administrator Jim Lites to serve as president and installing one of the most respected hockey minds in Jim Nill as general manager. He also spearheaded the overhaul of the team's logo and uniform, forging a new identity for the club to fit his vision. Under his watch, industry insiders have consistently identified the Stars as a team "on the rise" for both the business and hockey operations side of the organization. During the 2014-15 season, Gaglardi purchased the Texas Stars of the American Hockey League (AHL) and acquired the operating rights to H-E-B Center at Cedar Park in Cedar Park, Texas. The move reinforced his commitment to sustaining and growing the sport of hockey in the state of Texas and creating a seamless organizational process to develop and train NHL-caliber players, coaches and front office staff.

A passionate and knowledgeable leader who is deeply involved in all aspects of the family's business, Gaglardi began his career in the hospitality industry at age 13 as a busboy and has worked in virtually every area of his business since that time. He spent considerable time in construction, hotel and restaurant operations, real estate development and finance. At age 23, he was promoted to president of the Sandman Hotel Group, and at 26 he became president of Northland Properties Corporation, the Gaglardi family's umbrella company.

Under his direction, Northland has grown to be the largest family-owned hospitality company in Canada including a large portfolio of hotels with the Sandman Hotel Group and the Sutton Place Hotels & Resorts, several restaurant chains including Denny's Restaurants of Canada, Moxie's Grill & Bar, Chop Steakhouse & Bar and Shark Club Bar & Grill. In 2009, Gaglardi began expanding his brand of hospitality to the United Kingdom and more recently began operating in the United States, with the first Moxie's Grill & Bar opening in Dallas in November of 2016, and the first Sandman Hotel opening in Plano in February of 2019. The family also owns and operates a large real estate portfolio and the world-renowned Revelstoke Mountain Resort. In addition to his role with the Stars, Gaglardi is a co-owner of the Kamloops Blazers Hockey Club of the Western Hockey League and serves as its governor.

An active member of the community, Gaglardi founded the Sandman Harvest Foundation, which has raised over $1 million for disadvantaged and medically challenged children living in the Okanagan Valley of British Columbia. He also serves as trustee for the PA and JM Gaglardi Senior Citizens Society, a non-profit society providing housing for seniors in Kamloops, B. C. and serves on the board of St. George's School in Vancouver. He founded the Josh Dyck Foundation to assist Josh with his recovery from an auto accident in October 2006, which left him paralyzed and confined to a wheelchair.

Gaglardi and his wife Brittney have three sons, Charlie, Bennett and Wilson, all of whom play competitive hockey. In addition to his own participation on his hockey team, Gaglardi enjoys playing golf and spending time with his family at their cottage on the shores of Kamloops Lake near Savona, B.C.

BRAD ALBERTS

PRESIDENT/CHIEF EXECUTIVE OFFICER

Brad Alberts is in his second tenure with the Dallas Stars and currently serves as President and Chief Executive Officer after rejoining the team in February 2011.

Additionally, he acts as President and Alternate Governor of the Texas Stars, Dallas' top development affiliate in the American Hockey League, roles in which he has served in since July 1, 2017. Alberts serves alongside Stars Chairman Jim Lites on the American Airlines Center Board of Directors, assisting in the management of one of the busiest arenas in the United States.

Alberts, who was named team President on March 2, 2018 and took on the role of Chief Executive Officer on July 10, 2020, oversees all aspects of the Stars business operations. Previously leading all sales and marketing, he is also in charge of all aspects of the organization's finance and administration, box office, human resources and information technology, as well as the communications department, which has won two Dick Dillman Awards as the NHL's Western Conference top public relations staff under his leadership.

Alberts's career includes nearly two decades of professional sports experience selling tickets, suites, premium seating, and sponsorships. From 1996-2009, Alberts worked for the Dallas Stars and Texas Rangers in various sales management roles in tickets, suites and corporate sponsorships. From 2006-09, Alberts served as the Executive Vice President of the Hicks Sports Marketing Group, the in-house sponsorship sales group for the Stars, Texas Rangers, and Liverpool Football Club. In 2009, Alberts took over as the Vice President of Sponsorship and Sales at Legends/CSL, overseeing events at numerous venues around the country, most notably the Circuit of The Americas, a Formula One racing track in Austin, Texas.

Since rejoining the team in 2011, Alberts has played an integral role in the resurgence of the Stars in the Dallas-Fort Worth Metroplex, helping lead the organization to tremendous growth in brand visibility, attendance and sponsorship sales. Alberts and his leadership team were instrumental in the sweeping rebrand of the team, retiring the numbers of Mike Modano, Jere Lehtinen and Sergei Zubov and creating tremendous sponsorship value for the team and its partners. Under his leadership and direction, the organization hosted the 2020 Winter Classic at Cotton Bowl Stadium against the Nashville Predators. The event sold out within hours of tickets going on sale and was hailed as one of the most successful NHL events of all time, becoming the second-highest attended game in League history with a capacity crowd of 85,630.

Alberts received his bachelor's degree from Ripon College in 1992 where he was a four-year lettermen and co-captain of the basketball team, earning an induction into the Ripon College Athletic Hall of Fame in 2002. He received a master's degree in sports administration from University of Northern Colorado in 1995. Alberts is an avid golfer and fitness enthusiast. Alberts serves as a member of the American Cancer Society CEO Board, the Dallas Sports Commission Board and is actively involved in other non-profit causes in the Metroplex.

He resides with his wife, Kate, and their daughter, Grace, in Dallas, Texas.

JAMES R. LITES

CHAIRMAN, DALLAS STARS

Dallas Stars owner Tom Gaglardi appointed Jim Lites President and CEO of the Stars on Nov. 18, 2011. Lites is very familiar with the position having held it twice previously under prior owners Norm Green and Tom Hicks.

Shifting his role to serve as the team's Chairman and Managing Director of Northland Properties Corporation, U.S. Division in July of 2020, Lites boasts a reputation as one the finest administrators in professional sports. He continues to work with Mr. Gaglardi on the day-to-day business activities of the Stars, while overseeing the hockey operations department and continuing to chair the Dallas Stars Ownership Advisory Group. Lites also maintains his role as the organization's alternate governor, a role he held from 1982-2007. Over the years, Lites has served on the Board's marketing, broadcasting, expansion and game committees.

Over the course of Lites' two prior stints with the Stars (1993-02; 2003-07), the team won seven division championships, two Western Conference championships, two Presidents' Trophies, and the 1999 Stanley Cup. He played an active role in the conception, design, construction and on-going business operations of American Airlines Center and Children's Health StarCenter ice facilities. Most recently, Lites played a significant role in hiring General Manager Jim Nill, purchasing the Texas Stars of the American Hockey League (AHL) and the operating lease of the H-E-B Center at Cedar Park in Cedar Park, Texas.

From 1999-02, Lites also served as president of MLB's Texas Rangers, becoming one of only four executives at the time to simultaneously manage the affairs of two major league franchises. He served three years on MLB's Executive Council and was president when the Rangers captured the 1999 American League West championship.

Prior to joining the Stars in 1993, Lites served 11 years as chief operating officer of the Detroit Red Wings, who, during his stint, won three Norris Division championships and two Norris Division Playoff championships after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup champion hockey clubs.

While with Detroit, Lites also served as chief operating officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

From 2007 until being rehired by the Stars in 2011, Lites managed the New York Giants' Personal Seat License program at MetLife Stadium in East Rutherford, N.J. - a program that was one of the most successful of its type in history.

Born and raised in Pentwater, Mich., Lites received a bachelor of arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (Mich.) University Law School in 1978. He specialized in litigation and labor contract negotiations when he practiced law. Lites and his wife Kim reside in Frisco, Texas. They have four children: sons Chase, Sam, Chandler, and daughter, Brooke.

JIM NILL

GENERAL MANAGER/ALTERNATE GOVERNOR

Jim Nill enters his 10th season with the Stars, having served as the team's 11th general manager and sixth general manager since moving to Dallas. In his nine seasons on the job, the club has amassed a record of 356-259-84, making five trips to the Stanley Cup Playoffs in 2013-14, 2015-16, 2018-19, 2019-20 and 2021-22. Additionally, the Stars have advanced to the Second Round on three occasions under Nill (2015-16, 2018-19 and 2019-20) and reached the 2020 Stanley Cup Final.

Since joining the Stars, Nill has dramatically re-shaped the team's culture and roster with a series of trades and acquisitions. He began to make his mark on the club with key acquisitions of centers Tyler Seguin and Jason Spezza and three-time Stanley Cup champion Patrick Sharp. After leading the team to regular-season Central Division and Western Conference championships in 2015-16, Nill was named a finalist for GM of the Year, marking his first career nomination. He would continue to add more pieces over the next few seasons, including trading for goaltender Ben Bishop and signing right wing Alexander Radulov, goaltender Anton Khudobin and center Joe Pavelski, leading to a highlight season for the Stars in 2019-20. Following the NHL's pause due to the COVID-19 pandemic, the team traveled to the Edmonton bubble and advanced to the Stanley Cup Final for the first time since the 2000-01 season and the fifth time in franchise history, ultimately losing in six games to the Tampa Bay Lightning. Nill's accomplishments and roster building during the 2019-20 campaign was recognized, as he was named a finalist for GM of the Year for the second time in his career.

Nill has seen success in the drafting and development of players. Six players on the Stars roster were selected by Nill, including center Roope Hintz (2015), right wing Denis Gurianov (2015), defenseman Miro Heiskanen (2017), goaltender Jake Oettinger (2017), left wing Jason Robertson (2017) and center Jacob Peterson (2017). Keeping an eye on the future, Nill's scouting prowess has been on full display in recent years, through the additions of centers Ty Dellandrea and Riley Damiani in the 2018 NHL Draft – the latter going on to win the Red Garrett Memorial Award as the AHL's Rookie of the Year in 2020-21. Nill bolstered the club's blueline by selecting defenseman Thomas Harley (2019), who has already appeared in 34 NHL regular-season games, and added center Mavrik Bourque (2020), who finished the 2021-22 season with 68 points (20-48=68) in 31 games to lead the QMJHL with a 2.19 points-per-game average. Nill went on to add promising centers Wyatt Johnston and Logan Stankoven in 2021. Johnston posted a 1.82 points-per-game average in 2021-22, finishing with an OHL-best 124 points (46-78=124) to win the Eddie Powers Memorial Trophy as the OHL's Top Scorer and earned the William Hanley Trophy as the OHL's Most Sportsmanlike Player. His 124 points are the most in the OHL since Alex DeBrincat earned 127 points in 2016-17 and are the fifth-most in Windsor Spitfires history. Stankoven, meanwhile, finished the 2021-22 campaign ranked third in the WHL with 104 points (45-59=104) in 59 games with Kamloops for a 1.76 points-per-game average and was named the CHL Player of the Year.

A native of Hanna, Alta., Nill joined the Red Wings' front office in the summer of 1994 following three seasons with the Ottawa Senators. Previously, Nill enjoyed a nine-season NHL career as a right wing with the Boston Bruins, Vancouver Canucks, St. Louis Blues, Winnipeg Jets and Red Wings. He collected 58 goals, 87 assists and 854 penalty minutes in 524 regular-season games. Nill later went to Adirondack as a player/coach, retiring as a player after the 1990-91 season. A member of the 1979-80 Canadian National and Olympic teams, he was originally selected by the St. Louis Blues in the fifth round (89th overall) of the 1978 NHL Draft.

Jim and his wife, Rebecca, reside in Frisco, Texas, and have three children: Jenna, Trevor and Kristin, and three grandchildren: Cael, Hazel and Lincoln.

SCOTT WHITE

ASSISTANT GENERAL MANAGER/TEXAS STARS GM

Scott White is in his eighth season as assistant general manager, while he also serves as the general manager for the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL). The only GM in Texas Stars history, White was the architect behind the 2015 Calder Cup-winning Texas Stars, a team that set a franchise record with 48 wins, claiming the Macgregor Kilpatrick Trophy as the AHL's regular-season points champion. He also manufactured the team's second John D. Chick Trophy win (West Division champions) in 2018 as Texas again reached the Calder Cup Final. White was selected by Hockey Canada to serve as a member of the management group for Canada's National Men's Team at the 2014 Deutschland Cup and 2014 Spengler Cup.

A member of the Dallas Stars organization since 2005, White, 54, previously served as a professional scout and director of minor league operations. He headed up the hockey department for the Iowa Stars, Dallas' then-primary affiliate, for three seasons. Prior to joining the Stars organization, he served as head coach of the Columbia Inferno of the ECHL for four seasons, qualifying for a playoff berth each year. He also guided Columbia to a Kelly Cup Final appearance in 2003 and finished with a 165-87-36 record with the Inferno. White also worked as an assistant coach with the ECHL's Greensboro Monarchs for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-99.

White played five years of professional hockey from 1989-94, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the Ottawa Senators in 1992 and played the entire season with the club's AHL affiliate in New Haven, capturing team MVP honors with 54 points (10-44=54) in 80 games.

White and his wife, Kathy, have four children: Emily, Katie, William, Madelyn and three grandkids: Remi, Corbin and Cooper.

MARK JANKO

ASSISTANT GENERAL MANAGER

Mark Janko is in his 23rd season with the Dallas Stars organization, and his seventh as assistant general manager. Janko has spent the past 14 seasons in hockey operations after previously working in the Stars' public relations department for eight years.

In his current role, Janko is primarily responsible for player and staff contract negotiations, and has played an integral role in the construction and framing of the contracts for several of the team's core players including Jamie Benn, Miro Heiskanen, Roope Hintz, Esa Lindell, Jake Oettinger and Tyler Seguin. Additionally, Janko oversees all preseason and regular-season scheduling, Collective Bargaining Agreement compliance, cap and budget management, salary arbitration, strategic planning and works closely with Dallas' scouting staff, with an emphasis on the professional level. Along with Jim Nill, he created and now oversees both an analytics department and mental health division and also serves as the team's liaison for all player transactions with NHL's Central Registry.

He also appeared in nine career NHL contests with Dallas during the 2009-10 and 2013-14 seasons, recording one assist (0-1=1), five shots on goal and an average time on ice per game of 15:16.

AMERICAN AIRLINES CENTER

One of the finest multi-purpose venues in the world, American Airlines Center has served as the home of the Dallas Stars since 2001, playing host to over half-a-million hockey spectators annually and over 2 million spectators total annually.

Designed by world-renowned architect, David M. Schwarz and Dallas-based HKS Inc., American Airlines Center encompasses over 800,000 square feet and includes 105 luxury suites, 36 Service King Lounge theater boxes, 25 Germania Insurance Club loge boxes, 17 Osadia Tequila Club loft boxes, two 50-person Ford Party boxes and room for 18,532 hockey fans. Its brick and glass façade, sweeping vistas of downtown Dallas, double-vaulted ceilings and welcoming signature arches give the Center a unique combination of a modern, yet classically-elegant design that is perfectly suited for Dallas' "larger-than-life" Texas spirit.

No stranger to hosting major sporting events, the American Airlines Center, in conjunction with the Dallas Stars and National Hockey League, hosted the 2018 NHL Draft from June 22-23, 2018. The venue has also hosted the 2017 NCAA Women's Final Four, 2002 & 2006 NCAA first and second round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, 2009 U.S.A. Gymnastics Visa Championships and other events such as boxing and Ultimate Fighting Championships. It was also a proud host of the 2007 NHL All-Star Game, 2006 and 2011 NBA Finals and hosted events during the 2010 NBA All-Star Weekend.

Not solely a sports mecca, Pollstar and Billboard consistently rank American Airlines Center among the top-10 arenas of its kind in the world for concerts. It has hosted major concerts and events, such as Coldplay, Garth Brooks, U2, The Rolling Stones, Billy Joel, Elton John, Taylor Swift, George Strait, Tom Petty, Imagine Dragons, Madonna, Justin Timberlake, and Bruce Springsteen, among others.

American Airlines Center was designed to keep ice in perfect condition, even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 300 tons of refrigeration. In addition, a 4,200-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Polar Floor, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. The Zamboni is retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

In its 21st year, American Airlines Center still pushes the envelope with technology. In 2009, the Center set the standard for hockey and basketball arenas by installing the first 1080 high-definition center scoreboard in the NHL and NBA, increasing digital video throughout the arena bowl by 300 percent. Matching the spectacular HD video experience is a state-of-the-art concert quality sound system. The digital line array audio system delivers audio effects that the American Airlines Center visitor can both feel and hear. Using a patented retractable seating system, the Center can convert from an ice rink to a basketball court or concert setting in less than two hours.

H-E-B CENTER AT CEDAR PARK

Northland Properties Corporation, the parent holding company of the Dallas Stars, purchased the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL), in December 2014, announcing that the transfer of ownership from Hicks Cedar Park, LLC had been successful and was approved by the AHL Board of Governors. Texas Stars, L.P. now operates the city-owned H-E-B Center at Cedar Park, located in Cedar Park, Texas, under a long-term lease running through 2034.

"H-E-B Center at Cedar Park, and the land surrounding it, is located in one of the fastest growing regions of the United States," Northland President and Dallas Stars Owner Tom Gaglardi said. "The opportunity to grow the area's footprint as the top-flight entertainment region in Central Texas is immense, and we are looking forward to engaging with the city of Cedar Park to make that happen."

H-E-B Center at Cedar Park holds 6,778 seats for hockey, 7,200 for basketball and up to 8,700 for concerts and other events. The state-of-the-art arena has 24 suites (including four party suites) and 545 club seats with a private club lounge. The building hosts more than 130 events per year including sporting events, concerts, and family shows. H-E-B Center at Cedar Park is home to the 2014 AHL Calder Cup champion Texas Stars. The building also serves as the home court to the Austin Spurs, the G League affiliate of the 2014 NBA champion San Antonio Spurs. Since opening in September of 2009, H-E-B Center at Cedar Park has hosted world-class performers and events such as George Strait, Rascal Flatts, Alan Jackson, Tool, Jason Aldean, Def Leppard, Eric Church, Cirque du Soleil and Disney On Ice.

"Since coming to Cedar Park, the Texas Stars have been a wonderful partner of ours in bringing world-class sports and entertainment to the area," said former Cedar Park Mayor Matt Powell. "We look forward to working closely with Northland Properties and the Dallas Stars in this outstanding partnership as we continue to fulfill the vision of H-E-B Center at Cedar Park and the city."

In its first nine seasons of existence, all of which have been as the affiliate of the Dallas Stars, the Texas Stars have proved to be one of the most successful franchises in the AHL. The team captured its first Calder Cup championship in 2014. The club has made three trips to the Calder Cup Final (2010, 2014, 2018), qualifying for the postseason in seven of its nine seasons (2010, 2011, 2013, 2014, 2015, 2016, 2018), and has posted 40-win campaigns four times. Many of the Dallas Stars' young core of NHL players have spent time skating for the Texas Stars including captain Jamie Benn, defenseman Esa Lindell and forward Radek Faksa.

"Since Northland Properties purchased the Texas Stars, we've been thrilled with the tremendous opportunities H-E-B Center at Cedar Park has provided for our organization," said Texas Stars President Brad Alberts. "Owning and operating our own AHL affiliate and the venue in which it plays has been immensely beneficial in creating a seamless process to develop not only the future stars of the NHL, but our coaching and front office staffs, as well. The state-of-the-art facility provides an incredible experience for fans and teams alike, and has been the driving force in bringing top-name performers to the heart of Texas."

COMERICA CENTER

The Comerica Center complex, which includes the practice facility of the Dallas Stars, the executive offices for the team's business and hockey operations, and a recently renovated 6,000-plus seat arena, is located in Frisco, Texas - one of the fastest growing cities in the United States.

In January of 2019, the Dallas Stars and Comerica Bank announced an expanded multi-year partnership making the financial services company the naming rights partner for Comerica Center.

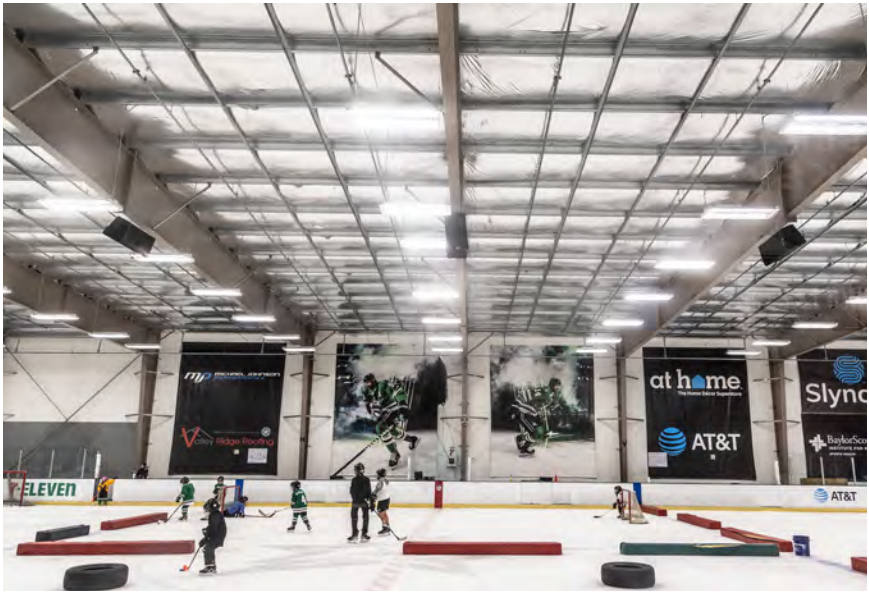
"We are excited to take our longtime partnership with the Dallas Stars Hockey Club to the next level as the naming rights partner for Comerica Center," James H. Weber, Comerica Executive Vice President and Chief Marketing Officer, said. "This enhanced sponsorship will allow Comerica to expand its presence and significantly increase our exposure within our headquarters market, while continuing to strengthen brand awareness and affinity and raising expectations of what a bank can be with the Stars, NHL fans and in the North Texas communities we serve."

Originally constructed in 2003, Comerica Center was initially built in partnership with the Dallas Stars, City of Frisco and Frisco ISD. The arena portion of the complex, formerly Dr Pepper Arena, is a multi-purpose sports and entertainment venue that is home to the Texas Legends - the NBA G League affiliate of the Dallas Mavericks - and the Indoor Football League's Frisco Fighters. The venue features amenities such as a state-of-the-art sound system, multiple HD video screens, 12 suites and a private lounge area.

Comerica Center also hosts concerts, family shows, corporate conferences and other sporting events. Recently, the facility has hosted Cirque De Soleil, BIG3 basketball, the Harlem Globetrotters, the Men's and Women's Lone Star Conference Basketball Championship, Frisco ISD graduations and numerous other events and conferences.

In its commitment to remain at the forefront of the entertainment industry, the arena underwent major upgrades in the summer of 2018 to artist spaces and backstage dressing rooms, as well as updated signage and concessions stands and storefronts for an enhanced audience experience. In addition to the upgrades, the arena introduced Ryan Sanders Sports Services (RS3) as its new concessionaire. Through RS3's vision, Comerica Center features state-of-the-art food and beverage services specifically tailored to highlight the unique atmospheres of each event.

"We couldn't be more proud to partner with Comerica Bank, a North Texas-based company who has supported the Stars for many years," Dallas Stars President and Chief Executive Officer Brad Alberts said. "The renovations made to our Frisco campus have ushered in a new era for the Stars and have reinforced our commitment to partnering with local businesses, and we are thrilled to be able to share this exciting new chapter with Comerica Bank."



CHILDREN'S HEALTH STARCENTERS

When the Stars moved from Minnesota to Texas, the club made exposing the Dallas/Fort Worth community to hockey an organizational priority. By constructing and operating several StarCenters throughout the Metroplex, the team has been able to have direct involvement with developing and growing the game of hockey in the greater Southwest region.

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena, run in partnership with the City of Frisco. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the League. The facilities in Euless, Farmers Branch, Frisco, McKinney and Mansfield were all built in partnership with those respective cities, while there are also StarCenters in Plano, Richardson and Valley Ranch. The Stars and StarCenters are constantly looking to expand to more cities in and out of the DFW area.

The Stars have come a long way since moving to Dallas in 1993. When the team first set foot in Texas, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host hockey). At that time, there were no high school or travel hockey teams, while only 200 local children were playing the sport and just 225 adults playing in recreational leagues.

As of the summer of 2022, there were more than 15,000 North Texas kids and nearly 9,000 adults skating and playing recreational hockey on over 20 sheets of ice in the area, including more than 65 high school hockey teams participating in the Stars-run AT&T Metroplex High School Hockey League.

With all the success the Stars have had growing the game and working with USA Hockey & TAHA (Texas Amateur Hockey Association), it's no surprise the Lone Star State is producing world-class hockey talent. Since 2005, 17 native Texans have been drafted into the NHL, including 11 who hail directly from the Metroplex (Dallas, Frisco, Flower Mound, Plano, Coppell, Arlington, Fairview and Lewisville). Thirteen of those players have been selected since 2008, making Texas a top-15 producer of American-born NHL draftees in that span. In the summer of 2013, Plano native Seth Jones was selected fourth overall in the NHL Draft by the Nashville Predators, the highest a native Texan has ever been selected. Blake Coleman, also a Plano native and two-time Stanley Cup Champion (first Texas born Stanley Cup Champion), was drafted in the third round (75th pick) of the 2011 NHL Draft, and even brought the Stanley Cup back to Children's Health StarCenter Plano to encourage youth players to chase their dreams.

The Stars continue to play a crucial role in the grassroots development of the sport in Texas through Rookies - a four-week, try-hockey-for-free program, and Fitness Stars - a physical education program dedicated to reinforcing the importance of a healthy lifestyle through clean eating and unique physical activities. Through these programs, kids will be introduced to the sport of hockey and invited to be part of the Dallas Stars' family for the rest of their lives.

DALLAS STARS FOUNDATION

The heart of the Dallas Stars Foundation is to invest in our communities by creating unique programs that nurture and enrich the lives of those in need. Since its inception in 1998, the Dallas Stars Foundation has donated more than $7 million to the North Texas community. This year alone, the Foundation has donated nearly $1 million to support COVID-19 relief efforts, winter storm aid and St. Philip's School and Community Center.

The Dallas Stars Foundation named St. Philip's the beneficiary of their 2020 Winter Classic Legacy Project, committing $2 million over five years. Over the last two years, the organization and its volunteers have dedicated time and resources to numerous other events at St. Philip's including ball hockey clinics, player visits, volunteering weekly in the community pantry, community events, and implementing the Dallas Stars Foundation's educational programs in their school and after-school programming.

Over the years, the Foundation has positively impacted more than half a million children across North Texas through its programming and partnerships with numerous non-profit agencies that focus on a myriad of worthwhile causes, including youth hockey, medical and other basic needs for disadvantaged youth, educational and social issues, family support and crisis intervention.

The Dallas Stars Foundation positively impacts 23,000 children each year through three pillars of focus for their giving, programs and partnerships: youth hockey, community engagement and health and education. To date, the Foundation has made in-kind and ticket donations to over 1,300 different organizations including schools, non-profit organizations and sports related programs.

Through the continued work of the Foundation, the Dallas Stars organization pledges to support the Metroplex and the state of Texas in order to support community efforts through the great game of hockey.

YOUTH HOCKEY PROGRAMS

The Dallas Stars launched the Rookies program in October 2013 and focuses on teaching children the fundamentals of hockey, the program provided them with all the necessary equipment for the duration of the four-week period. By giving children the opportunity to try the sport of hockey with no strings attached, the program has been the catalyst for growing the sport in Texas.

The Rookies program was influenced and designed by former Stars forward Mike Modano and initially offered for children ages 4-8. Since the inception of the first-of-its-kind program in September 2013, over 7,100 children across 11 ice rinks in Dallas and Austin have been introduced to the sport of hockey. As a result of its overwhelming success, the Rookies program expanded to include boys ages 9-14 and girls ages 4-14 in 2016. Throughout the duration of the program, over 40% of enrolled participants made the commitment to continue with a paid hockey program following the four-week session.

As of the Summer of 2017, the Rookies program extended outside of the Metroplex to include Austin, offering more children the opportunity to try the sport of hockey for free. The Dallas Stars organization is actively looking to expand the program in the current markets as well as finding new ice facilities in the Southwest to grow Rookies beyond the state of Texas.

FITNESS STARS

Fitness Stars enters its eighth season after launching at the start of the 2013-14 season. Originally created as a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges, Fitness Stars was offered at 28 DFW area schools in its inaugural season, reaching over 15,000 children.

Due to the program's overwhelming success, Fitness Stars has since expanded and is now offered in over 300 schools in the Dallas/Fort Worth Metroplex and is expected to impact over 206,000 children. Participating schools include Allen ISD, Carrollton-Farmers Branch ISD, Forney ISD, Fort Worth ISD, Frisco ISD, Garland ISD, Grand Prairie ISD, Irving ISD, Lewisville ISD, McKinney ISD, Wolfe City ISD, Wylie ISD, in addition to two individual charter schools.

The Fitness Stars Program is dedicated to reinforcing the importance of a healthy lifestyle through clean eating and unique physical activities. The program is designed to fit within the current curriculum of Physical Eduation teachers to help emphasize the programs and healthy options already in practice.

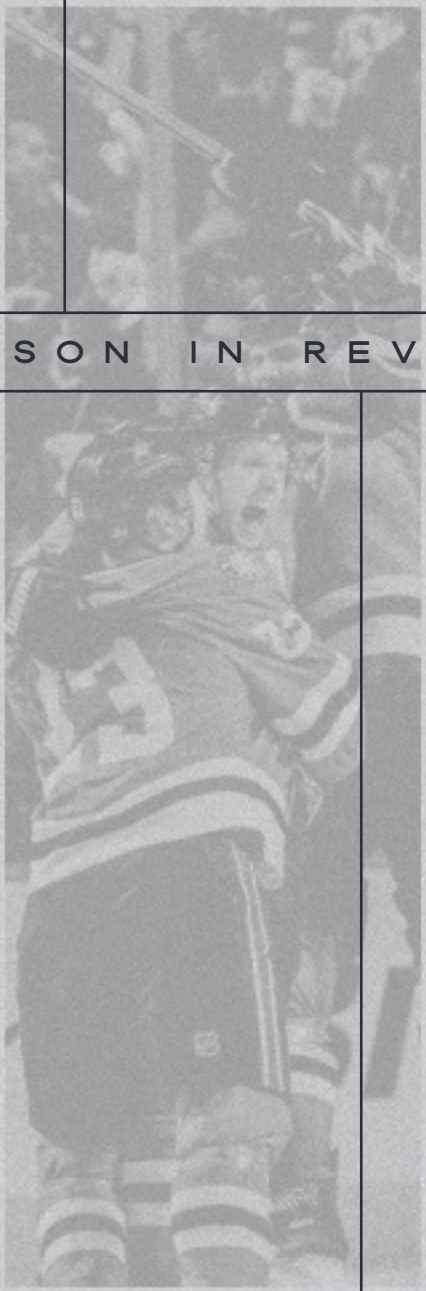
SEASON IN REVIEW



HOME SWEET HOME

The Stars recorded an eight-game home winning streak (8-0-0) from Nov. 13–Dec. 6, tied for the fourth-longest on home ice in the NHL during the 2021-22 season. The club's eight consecutive wins at American Airlines Center also matched the second-longest home winning streak in franchise history. This marked just the fourth time in franchise history that the Stars have registered wins in eight-straight home games and the first since the 2005-06 season when the team posted an eight-game home winning streak from Jan. 23–March 15.

Dallas also logged a five-game home winning streak (5-0-0) from Dec. 18–Jan. 12 for its second home winning streak of at least five games in 2021-22. It marked the first time since the 2017-18 campaign the club recorded multiple winning streaks on home ice of at least five games, and just the 15th time in franchise history.

GONE IN 75 SECONDS

The Stars became the first team in NHL history to record a goal in the opening 75 seconds of a game in four consecutive contests, doing so from Nov. 26–Dec. 2. Joe Pavelski opened the four-game streak with a goal 1:12 into the first period against Colorado on Nov. 26 before Roope Hintz scored just 54 seconds into the team's Nov. 27 tilt at Arizona. Hintz continued the streak on Nov. 30, scoring 1:13 into the opening frame against Carolina, while Jason Robertson scored 1:08 into the first period on Dec. 2 against Columbus to cap the streak.

Hintz became just the 34th player in NHL history to register goals in the opening 75 seconds of consecutive games and the first since the 2014-15 season when Stars captain Jamie Benn also accomplished the feat from April 5–6.

THIS IS 40

Forward Jason Robertson finished tied for 13th in the NHL with a team-leading 41 goals in 2021-22. Robertson became just the 12th different player in franchise history to reach the 40-goal plateau, while it was just the 18th instance in franchise history (Brian Bellows (3), Dino Ciccarelli (4) and Dave Gagner (2) with multiple 40-goal seasons). He's also only the fourth player in Dallas Stars history to accomplish the feat, joining Mike Modano (50 – 1993-94), Jamie Benn (41 – 2015-16) and Tyler Seguin (40 – 2017-18), while his 41 tallies are tied for the second most.

At 22 years old, Robertson was the youngest player in Dallas Stars history and the fourth youngest in franchise history to score 40+ goals in a single season. He was also the only 40-goal scorer under the age of 23 in the NHL in 2021-22. Among active NHLers, he is one of just nine players to reach the 40-goal mark before their 23rd birthday, most recently done by Auston Matthews (47) in 2019-20.

30 FOR 30

The Stars featured two 30-goal scorers in 2021-22 in forwards Jason Robertson (41) and Roope Hintz (37). This marked the first time the Stars had two players score at least 30 goals in the same season since the 2017-18 campaign when Tyler Seguin (40) and Jamie Benn (36) did so. It was also just the 10th time in franchise history the club had two 30-goal scorers aged 25 or younger and the first time since the 2014-15 season, also with Seguin (37 goals, 23 yrs.) and Benn (35 goals, 25 yrs.).

THREE'S COMPANY

Forward Jason Robertson recorded three goals on March 4 and March 6, becoming the first player in Dallas Stars history and the second player in franchise history to earn hat tricks in back-to-back games, joining Bill Goldsworthy who did so during the 1970-71 season.

Robertson recorded the first hat trick (3-0=3) of his NHL career, including scoring the overtime winner, in his 100th career NHL game on March 4 at Winnipeg. He became the first Dallas Stars player and the fourth player in franchise history to record a hat trick that included an overtime goal in the regular season. With 97 points through his first 100 games, Robertson set a new Dallas Stars record for the most points by a player in his first 100 games, while he ranks ninth among all active NHLers through their first 100 games.

Forward Roope Hintz scored two shorthanded goals, including the game-winning goal, on Nov. 20 against St. Louis, matching a franchise record for most shorthanded goals in a game. Hintz became the first player in Dallas Stars history (since 1993-94) to accomplish the feat, while just the fourth player in franchise history to score two shorthanded markers and the first since Neal Broten did so on Dec. 3, 1988 at Hartford.

YOU OTTER KNOW!

On Feb. 15, goaltender Jake Oettinger turned aside 46 of the 47 shots he faced en route to a 4-1 win over the Colorado Avalanche, setting new career highs in saves and shots faced. The contest marked the 50th of his NHL career, while the win marked the 25th of his career (25-13-7). His 25 wins through his first 50 appearances were the third-most in franchise history over that span, trailing only Marty Turco and Roman Turek who both earned 26 wins through their first 50 NHL games.

Oettinger would go on to be named the NHL's Third Star of the Week for the week ending on Feb. 21. The Lakeville, Minn., native posted a 2-1-0 record in three appearances during the week, stopping 104 of the 107 shots he faced for a 0.98 goals-against average and .972 save percentage with one shutout.

The 23-year-old turned aside 19 of 21 shots for the win on April 5 against the New York Islanders. The victory marked his 25th of the 2021-22 campaign in just his 40th appearance to establish a new franchise record for the fewest games required to reach 25 wins, passing the previous mark set by Ed Belfour in both the 1997-98 and 1998-99 seasons of 25 wins in 41 games. Oettinger finished the 2021-22 season with a 30-15-1 record, 2.53 GAA and .914 SV%. Forward Jason Robertson finished the season tied for first in the NHL with 11 game-winning goals in 2021-22. The Arcadia, Calif., native tied the franchise record for most game-winning goals in a season, joining Joe Nieuwendyk (1997-98) and Brett Hull (1998-99). He became one of only nine players in NHL history to score at least 11 game-winning goals before their 23rd birthday, and the first to do so since the 2017-18 season when Nathan MacKinnon (22 years old) and Brayden Point (21 years old) each netted 12 game winners.

Stars captain Jamie Benn scored two game-winning goals in 2021-22, both of which came in overtime. The 37-year-old also ranked tied for 19th in the League and ranked second on Dallas with 12 power-play goals.

Pavelski's 81 points were the most recorded by a player over the age of 37 in franchise history, snapping the previous high of 57 points logged by Mike Modano in 2007-08. He became the first American-born player in NHL history to reach the 80-point mark past his 37th birthday, while he became just the 12th different player in NHL history to earn 80+ points in a season aged 37 or older and the first since Teemu Selanne (31-49=80) did so in 2010-11. The last player over the age of 37 to record more points than Pavelski's 81 was Joe Sakic, who logged 100 points (36-64=100) in 2006-07.

The Plover, Wis., native posted a career-high four four-plus point games in 2021-22, becoming just the fifth player in NHL history over the age of 37 to record at least four points four-or-more times in a single season. NEAL **BROTEN**

Neal Broten began his NHL career with a bang, being named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60=98) in the 1981-82 season. Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for most assists in a season with 76. Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

BILL **GOLDSWORTHY**

Bill Goldsworthy began his NHL career with the Boston Bruins in 1964, appearing in just 33 regular-season games and earning 12 points (6-6=12) over parts of three seasons with the Bruins before he was selected by the Minnesota North Stars in the expansion draft in 1967. Goldsworthy would make a name for himself in the NHL with the North Stars through goal-scoring and the invention of his signature goal celebration, the Goldy Shuffle. Goldsworthy registered five 30+ goal seasons in his career, all coming while he was in Minnesota. The native of Waterloo, Ont. was the first player from a post-1967 expansion club to reach the 200- and 250-goal mark, while he eclipsed the 500-point plateau during the 1976-77 season to become the first player in Minnesota North Stars history to accomplish the feat.

Goldsworthy finished his 10-season career with the North Stars in 1977. Over that span, he registered 267 goals, 239 assists and 506 points (267-239=506) in 670 regular-season games. He currently ranks fifth all-time in goals (267), sixth in game-winning goals (34), 10th in points (506) and third in shots on goal (2,237). Goldsworthy was also named to an All-Star four times during his career (1970, 1972, 1974 and 1976). In recognition of his accomplishments, Goldsworthy's number eight was retired by the organization on February 15, 1992. Goldsworthy passed away on March 29, 1996 at the age of 51 due to complications from AIDS.

MIKE **MODANO**

Mike Modano, the greatest American-born hockey player in NHL history, played 21 seasons in the NHL and is the all-time franchise leader in nearly every category, including games played (1,459), goals (557), assists (802), points (1,359), short-handed goals (29), game-winning goals (92) and power play tallies (156).

A seven-time NHL All-Star, 2014 Hockey Hall of Fame class member, and United States Hockey Hall of Fame inductee, Modano is also the American-born record holder in goals (561) and points (1,374). He was also instrumental in helping the Stars capture the 1999 Stanley Cup championship. The Livonia, Mich., native skated for Team USA at the Olympic Games on three separate occasions, winning the silver medal at the 2002 Games in Salt Lake City. He also captured the gold medal at the 1996 World Cup of Hockey; and was captain of the United States squad at the 2005 World Cup. Modano was drafted first overall in 1988 by the Minnesota North Stars.

On March 8, 2014, the Dallas Stars honored Mike Modano, the greatest player to wear a Stars uniform, by retiring his iconic number 9.

BILL **MASTERTON**

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68, recording 12 points (4-8=12) in 38 contests before suffering a fatal head injury in a game on Jan. 13, 1968.

A native of Winnipeg, Man., Masterton attended the University of Denver where he played for three seasons with the Pioneers in the Western Collegiate Hockey Association (WCHA), winning two National Championships in 1960 and 1961. The first player to sign with the new Minnesota club, Masterton made his NHL debut in the team's inaugural game on Oct. 11, 1967 against the St. Louis Blues, scoring the first goal in franchise history. In a game against the Oakland Seals on Jan. 13, 1968, Masterton suffered a severe head injury when his head hit the ice after being checked. The 29-year-old would eventually succumb to his injury as he passed away just two days later on Jan. 15.

In his memory, the Professional Hockey Writers' Association created the Bill Masterton Memorial Trophy in 1968, an award presented annually to the "National Hockey League player who best exemplifies the qualities of perseverance, sportsmanship and dedication to hockey." Masterton's number 19 has never been worn by another player in franchise history, and was retired by the organization on January 17, 1987.

JERE **LEHTINEN**

Jere Lehtinen was originally selected by the Minnesota North Stars in the fourth round (88th overall) of the 1992 NHL Draft before making his NHL debut with Dallas in 1995-96. Lehtinen played his entire 14-season NHL career in a Dallas Stars sweater and recorded 514 points (243-271=514) in 875 regular-season games, landing himself on the Stars franchise leaderboard in a number of categories.

At the time of his retirement on Dec. 8, 2010, the Espoo, Finland native ranked third in franchise history in games played (875), seventh in goals (243), eighth in points (514) and 10th in assists (271). Lehtinen also finished third in game-winning goals (37) and sixth in power play goals (77), while he continues to sit atop the franchise leaderboard with a career +174 plus/minus rating.

Best known for his two-way play, Lehtinen won the Frank J. Selke Trophy as the NHL's top defensive forward three times in 1998, 1999 and 2003. The forward also earned recognition being named to the 1998 All-Star Game, his only All-Star appearance in his 14-season career. Lehtinen helped the Stars capture the 1999 Stanley Cup, finishing tied for second on the team with 10 goals and ranked fifth with 13 points (10-3=13) while appearing in all 23 postseason games during the team's championship run.

On Nov. 24, 2017, the Dallas Stars recognized Lehtinen's illustrious career by retiring his number 26. Lehtinen is the fifth player in Stars franchise history to have his number retired, and the third since the club moved to Dallas before the 1993-94 season.

ON JANUARY 24, 2007, THE STAGE WAS SET FOR DALLAS TO HOST THE

55TH NHL ALL-STAR GAME

AT AMERICAN AIRLINES CENTER.

This marked the first time since the team moved to Dallas that it was hosting the All-Star festivities, and just the second time in franchise history as the club also hosted the 1972 All-Star Game in Minnesota. Defenseman Philippe Boucher and goaltender Marty Turco represented the Stars in the game as they both were voted onto the Western Conference roster through the fan voting process, while Boucher was named a starter in the contest, replacing Anaheim's Scott Niedermayer who could not play in the game due to injury.

Former Dallas bench boss Lindy Ruff also participated in the All-Star Game as he was named head coach of the Eastern Conference All-Stars. With a capacity crowd of 18,532 on hand, the West defeated the East in the contest by a final score of 12-9, with then-Buffalo Sabres forward Daniel Briere being named the MVP of the game.

ON OCTOBER 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing faceoff, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.
